

Associate App Developer

Job description

We are looking for a highly-skilled, experienced, passionate and energetic app developers to join our expanding software app development team. In this role, you will help develop and design technology solutions that are scalable, relevant, and critical to our company's success.

As part of your job, you will focus on the development of hybrid and native mobile apps from scratch to delivery and must have a solid skill set of apps development, a desire to continue to grow as an app developer, and a team-player mentality.

Profile of the ideal candidate

The ideal candidate must have:

- 1 to 3 years of work experience on the Android and iOS platforms
- experience in developing B2C/B2B mobile applications
- expertise in the implementation of custom UI components
- experience in memory management and in designing high-performance apps
- experience in shipping applications through the Google play store and App store
- well-versed with mobile UI/UX conventions
- experience in creating custom UI elements like Splash screens, Navigation drawers, Buttons, Progress Bars, Dialogs, etc and custom layout
- UI elements design (iconography, button library and pattern, color palettes, and animation / transitions).
- well-versed with the lifecycle of native applications (IOS and Android)
- knowledge about image formats, scaling, and transformation techniques
- strong understanding of Object-Oriented Programming, data structures, and design patterns
- strong JavaScript programming skills
- strong problem solving and debugging skills
- experience in using GIT
- good understanding of REST API
- proficient knowledge of any app development hybrid frameworks like React Native, Flutter.
- no 9 to 5 mentality

The ideal candidate would be:

- committed to tasks and deadlines
- committed to support customers
- hardworking
- self-motivated
- initiative taking
- pro-active
- result-driven
- go-getter attitude
- able to work with strict deadlines and under pressure
- able to work in a team as well as an individual
- ready to work in a growing, internationally oriented company
